CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 832.

SPEAKER BAACK: LB 832 advances.

CLERK: LB 832A, Mr. President, is offered by Senator Moore. (Read title.)

SPEAKER BAACK: Senator Moore.

SENATOR MOORE: Mr. Speaker, members, this is the A bill on 832A. I guess, at this point in time, I would ask the body to advance the bill. There would be...if, indeed, we would stay at the \$2 and choose not to generate enough revenue from the court fee bill, this bill would have to become a General Fund A bill of some sort. The way it's going to advance today, it's going to, I guess, it will advance as if there was enough cash to fund the \$1.5 million of revenue there. We'll have to make it work after we decide what exactly we're going to do on Select File, but everybody understands that it's going to move today in its Cash Fund state and if, indeed, we do not generate enough Cash Funds on Select File, we'll have to put up to \$800,000 in General Funds in this bill to make the automation project work. So, with that, I ask for advancement of the bill.

SPEAKER BAACK: Thank you, Senator Moore. Discussion on LB 832A? Seeing none, do you wish to close? He waives closing. We will now vote on the advancement of LB 832A. All those in favor vote aye, opposed vote no. We're voting on the advancement of LB 832A. Have you all voted? Record, Mr. Clerk.
